

DVS Scheduling and Delivery Manager

During this seminar the participants will be introduced to the DVS Scheduling Manager and the DVS Delivery Manager. With these tools it is possible to generate and distribute reports and report packages time- or event-triggered. The attendees will learn how to setup an automatic report creation with the Scheduling Manager and a distribution of the created report with the Delivery Manager. The seminar especially focuses of hands-on practices and tips & tricks for setting up the whole scheduling and delivery environment.

Topics
